Basic Web Application Usage

Full Screen Mode

The membership application user interface has been designed to take advantage of as much screen space as possible and minimize scrolling. This requires the internal user to be in Full Screen Mode. To enter Full Screen Mode strike <F11> on the keyboard. To leave Full Screen Mode strike <F11> again.

Tabbing

Navigation through the page can be accomplished through the use of the <TAB> key on the keyboard. In most cases tabbing is left to right, top to bottom and follows the same order as data entry would from printed forms.

<TAB>	Move the cursor forward one screen element
<SHIFT><TAB>	Move the cursor backward one screen element

Pull Down Menus

Pull down menus allow the user to select from a list of many options.

A pull down menu with no value selected.

A pull down menu with the list expanded.

A pull down list with the desired value selected.

A pull down list with the selection complete.

When selecting from long pull down menus, such as State or Country, it is possible to jump to the selected value using only the keyboard. For example, using the pull down menu above as an example we want to select Merchant Marines without using the mouse. With the cursor on the pull down menu hit the <M> key twice. The first strike of the <M> key brings up Marine Corps. The second strike of the <M> key brings up the next value in the list beginning with an 'M'. In our example this is Merchant Marines.

Also note that while on a pull down menu striking the <ENTER> key will not affect any buttons on the screen associated with the key. The user must tab out of the pull down menu before striking <ENTER>.

Radio Buttons

Radio buttons are used when selection values are unique. In other words, the user may only select one value in the list.

☒ Male ☐ Female ☐ Unknown

When the user tabs into a list of radio buttons they may move from button to button using the left and right arrow keys on the keyboard. To select a button press the <SPACE BAR> while the cursor is on the desired button.

WARNING: Once the user makes a selection in a list of radio buttons they will not be able to turn the selection off. They may change the selection to another button but will be required to have a selection.

Check Boxes

Check boxes are used when selection values can contain more than one value. In other words, the user may select as many of the check boxes as desired.

☒ Member
☐ Net Prospect

When the user tabs into a list of check boxes they may move from box to box using the <TAB> key. To select a box press the <SPACE BAR> while the cursor is on the desired box.

Calendars and Dates

Capturing dates correctly is very important to the system. When entering the date it must be in one of the following formats:

mm/dd/yyyy	eg: 03/23/2003
mmddyyyy	eg: 03232003

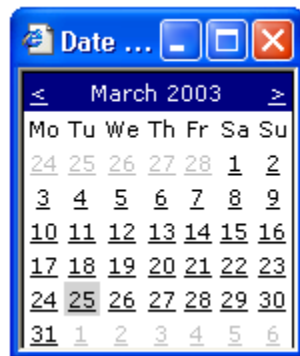

It may be useful to use the following keyboard shortcuts:

Today's Date	<.>
Next Day	<+>
Previous Day	<->

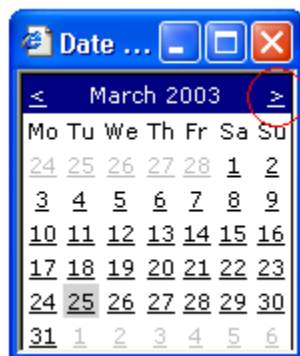

It is also possible to bring up a calendar in order to select the date. To bring up a calendar use the mouse to click on the calendar icon following the field. You may also tab out of the date field and onto the calendar icon and hit <ENTER> to open the calendar. The calendar icon is shown below.

Date of Birth 

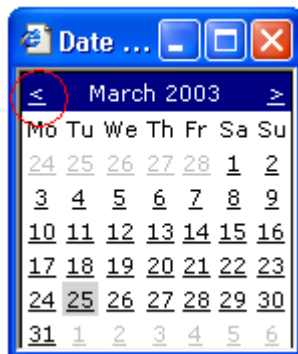

The following is an example of the calendar that appears:

To advance forward one month click on the arrow to the right of the Month and Year as shown below:

To go back one month click on the arrow to the left of the Month and Year as shown below:

To select the desired date simply click on the day.

Tool Tips

Almost every field in the application has an associated Tool Tip. Tool tips appear when the mouse is left to hover briefly over the field. The tool tip then appears revealing important information concerning the field. Move the mouse away from the field and the tool tip disappears.

Overview

Type in your membership number and password. The default password is your birth date (MM/DD/YYYY), and you will be taken to a screen to change your password the first time you login. If you are not a member, clicking on the **Join the Disabled American Veterans** link will take you to a membership application.

Usage

To view previously submitted reports, select the desired report period from the View Previous Report dropdown menu:

The screenshot shows the 'Chapter Annual Financial Report - In Process' page. At the top is a navigation bar with links: HOME, SEARCH, SITEMAP, FEEDBACK, MAGAZINE. Below this is the DAV logo and the text 'Disabled American Veterans Members Building Better Lives for America's Disabled Veterans'. A secondary navigation bar contains links: New Members | Request for Information | Make/Receive Payments | Maintain Information | Sign Off, and a Help button. The main content area displays the following information: Chapter Number 42, Chapter Name GRAND PRAIRIE #42, Department 42. Below this, there are input fields for Accounting Period From (7/1) and To (6/30). To the right of these fields is a 'View Previous Report' dropdown menu currently set to 'Current Report'. Below the dropdown is a 'Check Accounting Dates' button. A small tooltip box at the bottom right of the page reads: 'Click for a listing of all financial reports on the Membership System. Click on an accounting period ending date to view that financial report.'

To begin a new Annual Financial Report, be sure Current Report appears in the View Previous Reports box.

Type in the accounting year and click on the **Check Accounting Dates** button. Provided that the accounting period is correct, the Annual Financial Report-In Process page will appear and allow for information to be entered. You may click on the **Financial Report Instruction** button to download a complete set of instructions for completing the report.

The Beginning Balance is brought forward from the last approved report on the Membership System.

All lines that require a schedule are identified by a dollar amount link that, when clicked on, will open the corresponding schedule. When finished entering items and amounts on the schedule, click on the **Save** button located at the bottom right of the schedule page. The total for the schedule will be brought forward into the financial report on that line.

Record any fixed assets, such as real estate, furniture, vehicles, and inventory by clicking on the **Other Assets Schedule** button at the bottom of the page.

If Membership numbers are not known for the Audit Committee, click on the **Membership #** link to execute a Search for Member.

Clicking on the **Save** button at the bottom of the page saves the report in its current state without approval. This is useful if the operator needs to leave a report incomplete and will be coming back to work on it later.

Clicking on the **Submit** button enters a completed report into the Membership System for review by National Headquarters. It is important that your report is accurate and complete before the **Submit** button is clicked. Once a report has been submitted it cannot be changed.

Once a report has been approved, it may be viewed by selecting it from the **View Previous Report** dropdown menu. The report will be displayed as read-only on the screen.

To print the complete financial report, please refer to the **Reports** section of this manual
